INSTITUIÇÃO DE UTILIDADE  
PÚBLICA DESPORTIVA  
FILIADA NA ISAF DESDE 1928

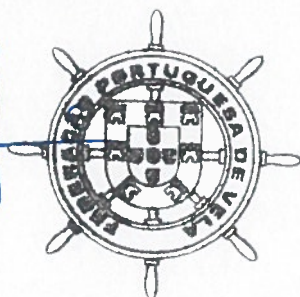

Following the process of selection organized by the GC32 Int. Class Association to find the best place to host the GC32 World Championship - 2019, the choice was Lagos, Portugal.

The Portuguese Sailing Federation confirms the approval of this choice and we are absolutely confident that Lagos Sailing Clube with the support of the partners Lagos Marina and Sopromar, will provide a great event.

Lisbon, 29 April 2019

The National Technical Director

Luís Rocha
