Thursday 11th October

The wind forecast for tomorrow remains ok, but we have concerns related to the sea state remaining after this weather system has gone by. We have made the decision to cancel all onboard guest sailing for tomorrow (Thursday 11th).

The craning schedule will commence at 0630hrs. Just prior we will review the conditions in the harbour and update everyone, as we must ensure berthing and craning operations are safe to do so.

The Skippers briefing will then be at 1000hrs.

I hope we have been able to explain our intentions and will continue to work towards having all boats racing safely.

Intended schedule:

0630-0930 craning of all boats

0945 RIB and Support boat driver meeting

1000 Skippers briefing

1200 Practice race and start(s)

1300 Series races first warning signal
