GAC Pindar will provide an umbrella approach to the following key deliverables across the GC32 Racing Tour, managed by our Control Tower in Southampton, UK.

- Responsibility for continuous service.
- Smart thinking – minimising storage costs between venues by careful use of free time at terminals.
- Relationships – build trust, familiarity, goodwill, passion and dedication within the GC32 Class.
- Accountability – accepting the risk across delivery to all venues and minimising that risk through approved, trusted suppliers and agents.
- Customs clearance – to de-mystify the process by careful planning and advice on the appropriate method of temporary admission, use of ATA Carnets as appropriate in each venue.
- Buying power and infrastructure - leveraging GAC purchasing power plus the infrastructure benefits of a global, 9000 employees, company.
- Series context – maintaining databases on documentation, CSC approvals and prompting teams on long-term strategy.

OFFICIAL SHIPPING & LOGISTICS PARTNER

- Single point of contact – for additional information, advice on planning, delivery schedule and invoicing.
- Future GC32 Racing Tours – providing a sounding board for the Class by working on logistics feasibility and budgeting for future events.

Pricing strategy

- Rates are based on 40'HC Shipper's Own Container, ISO, valid CS plated, non-hazardous.
- Terms are free on truck to free on truck, excluding liftings and groundings.
- Routings in Europe are based on a combination of road, rail and ferry. Routings overseas are Container Carrier.

All business is transacted under our Standard Trading Conditions (STCs), BIFA 2017 and are available from our offices upon request or online at www.gac.com/uk

Transit times indicated are port to port, excluding customs clearance if any, unless otherwise stated.

****All pricing is based on 1 x 40ft Shipper's Own High Cube Container - rates current as of January 2020 and may be subject to fluctuation due to changes in transport costs, environmental fuel surcharge, BAF, CAF, Fuel Surcharges or Exchange Rate Fluctuations****

OFFICIAL SHIPPING & LOGISTICS PARTNER

All containers MUST be CSC certified, and GAC Pindar can arrange certification or renewal of existing certificates as per your requirements. No Dangerous goods are permitted to be carried in any of the containers without prior notification and approval from GAC UK.

In addition to container shipping GAC Pindar can manage all additional freight requirements to support your campaign and will provide delivery address and customs services at each event.

All freight forwarding services will be invoiced directly from GAC Pindar to each team as soon as containers have left the site at each leg. Credit Terms not more than 14 days from date of Invoice excluding any duty deposits which must be paid prior to arrival of containers at port of discharge.
