Regulatory protocol Covid-19

Each team and individual competitor has to agree and comply with the regulations in force in respect of Covid-19 and comply with the Fraglia Vela Covid-19 procedures noted in the document available on the Official Notice Board of the GC32 Racing Tour event website: <http://www.gc32racingtour.com/onb/>

Please check and read this document carefully.

Social Events, GC32 Lounge and Guest Hospitality

Due to the situation in respect of Covid-19 and the regulations at Fraglia Vela Riva we will reduce the social events to the opening and the prize giving. A regatta dinner might be organised on Saturday evening, but this has yet to be confirmed.

We will not organise the usual GC32 Lounge with the morning coffees before the skippers and safety briefings and there will be no after-sail gatherings. Skippers briefings will be held with a minimum amount of people.

We are also not going to organise the onboard guest programme. This means that there will be no guest sailing during official racing at the GC32 Riva Cup. In the case that you have guests as a team, you are free to take them for a sail either before or after racing. We are happy to help if you need any support with this (e.g. helmets or sailing gear).

Please contact Christian Scherrer or Stephanie Nadin for more details in the lead up to the event.
